CLEAN ROOM EMERGENCY FIRE SUPPRESSION | PARTICLE & MOISTURE FREE

20 oz.

16 oz.

4 oz.

From the pioneers that created safe, eco-friendly, plant and earth based formulations for wildfire and structural fire protection,

**Komodo Fire Systems, Inc.** introduces **911-CR** for no mess, no powder, effective fire response

Specifically designed to be nonconductive and leave no residue, Komodo 911-CR puts out fires while helping preserve both assets and operations.

Environmentally friendly, non-toxic, non-hazardous, free of restricted chemicals or PBDE's (Polybrominated Diphenyl Esters). All Komodo products are rigorously tested by independent laboratories.

At Komodo Fire Systems, we continue to invest in Research and Development to improve our technology and to develop solutions for fire safety.

#### Disclaimer

Komodo Fire Systems, Inc. is not responsible for damage to property or material from fires. User of this product is responsible for application. Liability is not expressed or implied regarding the final usage of this product.

## WHAT IS K911-CR

K-911 CR is a sustainable (zero ozone depletion and less than 1 global warming potential) fire extinguishing clean agent that helps protect continuity of operations and high value assets. K-911 CR is a waterless fire suppressant designed to replace high global warming potential (GWP) hydrofluorocarbons (HFCs) like FM-200.

K-911 CR is a clean agent included in the NFPA 2001 and ISO 14520 standards. It is nonconductive and leaves no residue, putting out fires while helping preserve both assets and operations. It can quickly extinguish Class A, B and C fires.

## Features and Benefits

- 🔥 Light-weight, Small Form Factor, Portable
- 🔥 No Mess, No Powder, No Residue
- 🔥 Non-Conductive, Non CO2 Liquid
- 🔥 Does Not Displace O2, Minimize Human Risk

## Ideal For

Cleanrooms • Data Centers • Electrical Rooms • Subfab • Particle Sensitive Applications • Solvent Rooms • Gas Rooms

## Availability

Current stock in 16oz and 20oz cans.  
Ready for immediate order and shipment.
